

澳門郵政電子認證服務

Macao Post eSignTrust Certification Services

Seminar Briefing

澳門郵政電子認證服務作為獲澳門特區政府認可的受信賴第三方，可保障電子交易在一個安全可靠的環境下進行，使用具備法律效力的合格證書〔特區法律第5/2005號〕，為您解決電子交易的保安問題，當中包括：鑑別交易雙方的身份、確保訊息的完整性及機密性、防止交易內容被否認。eSignTrust簽發合格證書予個人、商業機構及政府部門。

Macao Post eSignTrust Certification Services is accredited by the Government of Macao SAR and is considered as a Trusted Third Party to provide a trusted and secure environment for the conduct of online business transactions. Using eSignTrust Qualified Certificates with legal effect (MSAR Law no. 5/2005), your online business can be safeguarded from security concerns including identity proof of the transacting parties, integrity and confidentiality of an electronic message and prevention from any denial of commitment in an electronic transaction. eSignTrust issues Qualified Certificates to individuals, commercial companies and government departments.
