6.2 Freight Service Providers

1. Information and costs on transportation, loading and customs clearance procedure

服務項目表 / Service Chart

Charges for transportation of Exhibits:

Exhibitors could request the Official Freight Forwarders for quotations of customs declaration, transportation, delivery and packing of exhibits to and from the exhibition hall.

Exhibition information

1. Cargo delivery

- A. Mainland China exhibitors: official freight agents will provide cargo collection or pick up service in Zhuhai. Exhibitors must fill in the "Exhibits List" and inform the agents for arrangement. Cargo collection means the exhibits are to be sent by the exhibitors themselves to a specified location in Zhuhai. Cargo pick up service means the official freight agent arranges the picking up of the cargo from a certain location. If the location is not within the area for quotation, the charges will be negotiable.
- B. Hong Kong and Macau exhibitors: exhibitors may make their own arrangement of transporting cargo to Macau pier, or the exhibitors may hire the official freight agent to pick up the cargo and transport it to the exhibition booth.
- C. Cargo collection at exhibition hall entrance: exhibitors may make their own arrangement of delivering the cargo to the exhibition hall entrance, and official freight agents will receive and deliver it to the exhibition hall booth.

2. Custom declaration requirements

- A. Mainland China exhibitors: exhibitors must provide an exhibition contract or relevant documents, exhibits list, invoice, customs declaration authorization, etc. Exhibitors must also remark on the "exhibits list" if the cargo needs return transportation. Since customs and quarantine clearance procedures in Mainland China take time, exhibitors must submit the above documents to official freight agent no later than the appointed period, including customs documents (Original) etc.

3. Restricted cargo

- A. The following goods, including: meat and sea products (dried products only), medicine, health products, cigarettes and wines, alcoholic beverages, milk and milk products, tea, wood, electrical appliances etc, are restricted by Mainland China and Macao customs. Exhibitors of these goods should therefore inform official freight agents in advance for arrangement.
- B. The official freight agents will not provide any transportation or customs clearance service to special goods such as hazardous goods, flammable goods, goods causing pollution, antiques, and goods protected by law.

4. Requests of Exhibitors

1. The exhibitor should complete the "cargo list for exhibition" as per requirement of the Organiser.
2. The exhibits should be properly packaged and labeled with the company name and booth number.
3. The official forwarder will provide cargo transportation service according to the list filled in by the exhibitors. If there are ad hoc requests during the Fair period, it has to be negotiated separately.

5. Freight charges payment

- A. Exhibitors must pay all charges to official freight agents in advance.
- B. Cargo arriving after our deadlines will incur 30% late arrival surcharge.

6. Others

- A. Official freight agents will set up an exhibition booth with staff on site, to provide services to exhibitors including: delivery and dispatch of cargo into and out of the exhibition hall, removing/repacking of cargo boxes, and packing service, etc.
