Remarks:

- The application form must be submitted along with the payment form below, all payments (including surcharges) and the booth facilities layout should be submitted to the standard booth contractor for approval; otherwise application would not be entertained.
- This application form will also be served as a receipt. Unless requested by exhibitors, no invoice or receipt will be issued separately.
- All items are on rental basis. In the event of any loss or damage to the above items for which hirer is liable, the hirer will reimburse the standard booth contractor for the total cost of making good or replacement.
- 30% surcharge will be charged for any late orders received after 15<sup>th</sup> September 2026. Orders received after 22<sup>nd</sup> September 2026 will be subject to a 50% surcharge.
- Cancellation after 15<sup>th</sup> September 2026 is subject to a 30% cancellation charge. Written application is required for the cancellation of orders. No cancellation will be accepted after 22<sup>nd</sup> September 2026.
- All rental sockets are for electrical appliances only. Exhibitors or their contractors must pay for the light wiring fee if set up of self-prepared lighting devices is required. Light wiring and lighting set up must be approved by the Official Stand Contractor in advance. Exhibitor will be charged for a 100% administration fee if they perform the set up themselves and resulting in the disconnection of electricity to their booth or to the entire venue.
- Each electric socket shall be used for one electrical appliance only. Use of extension cord is prohibited.
- Exhibitors are kindly reminded that the Official Contractor received 2026 Fee Schedule for Rental Items from the Venue, in which the Power Mains and Electrical Services no longer offer an advance rate and are uniformly charged at the regular rental rate, meaning the related rental fee has increased by approximately 15% compared to last year. In light of the cost increase, the Official Contractor needs to make a slight adjustment to the rental fee, resulting in an increase of about 8% for the related items.

| Payment method (Please tick the appropriate box.)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
